# A Time with Starlight

18 1 3

## Chapter 1 by Ravenisk

When I saw him sitting under the essence of the moonlight, it changed my whole perspective of his annoying and distant self at school. His face was illuminated by the lights casted upon him. There was a softness on his expression which made my heart jump. Had I been wrong about him this whole time? This new point of view that came to surface urged me to dance over to him and be a part of his world. His eyes drifted to me, and he smiled for the first time.

## Chapter 2 by IztheWiz

When I saw his eyes I began to fall for him. I had always thought of him as that annoying kid that was to cool for anything, but at this moment I saw a different side to him. Something I've never seen before.
